

Jeanie Alter, PhD, MCHES
Executive Director
American School Health Association

ASHA's Mission

The mission of the American School Health Association is to transform all schools into places where every student learns and thrives.

Whole School, Whole Community, Whole Child Model (WSCC)

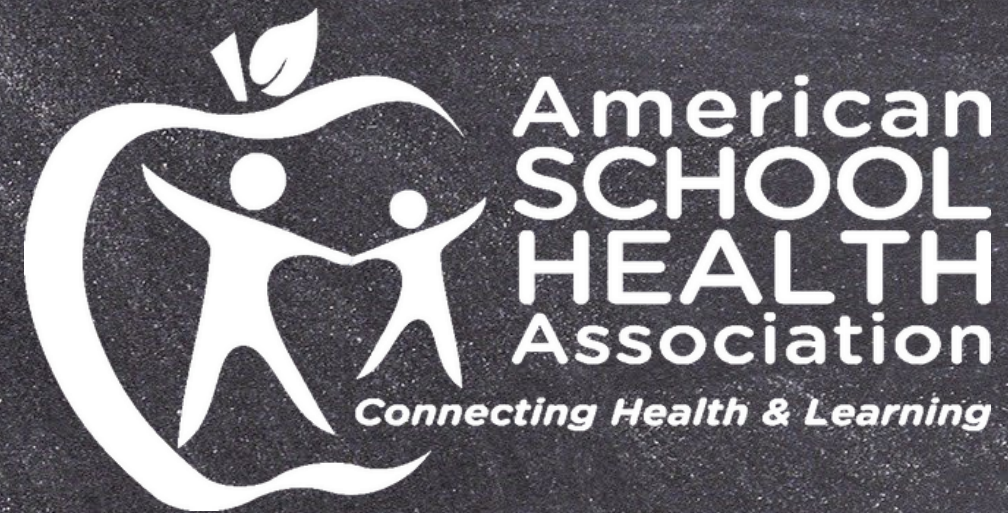

The WSCC model is student-centered and emphasizes the role of the community in supporting the school, the connections between health and academic achievement and the importance of evidence-based school policies and practices.

Programs and Services

- High-Quality Professional Development
- Cutting-Edge Research
- Advocacy for Student Health
- Extensive & Expansive Network

ASHA's priorities are to advocate for implementation of the WSCC framework, promote racial and social justice, and encourage full funding of ESSA, particularly Title II and IV to enhance professional development for our health and physical educators and school health programs.

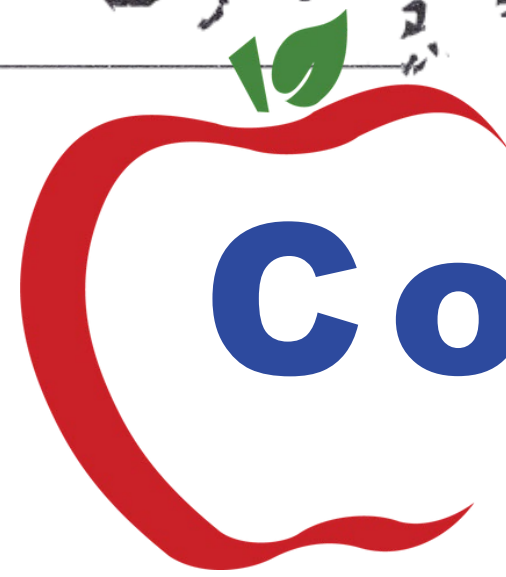

ASHA Member Benefits

- Online subscription to the Journal of School Health (JOSH)
- Free Continuing Education Credit
 - JOSH Self Studies, Live and On-Demand Webinars, Conference

Forums for connecting with School Health Professionals

- Discount to American Academy of Pediatrics Titles
