Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]

Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]

Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]

Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]

Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]

Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]

Worktable 306. Deaths from selected causes by age groups and date of death: United States, 2005

[Data include deaths to nonresidents of the United States. Characters after causes of death are categories of the International Classification of Diseases, Tenth Revision, 1992. The letter preceding each number (excluding totals) represents the day of the week. For explanation of asterisks preceding cause-of-death codes, see <http://www.cdc.gov/nchs> and refer to "Technical Appendix from Vital Statistics of the United States: Mortality, 2005"]
