

**2022-2023 National Survey of Family Growth (NSFG)
List of Restricted-Use Contextual Variables**

FIPS codes can be used to merge external data with the 2022-2023 NSFG public-use files through the NCHS Research Data Center. Estimates cannot be produced for specific states or counties. For more information about using these data, including options for accessing the RDC and associated charges, visit the RDC website. <https://www.cdc.gov/rdc/>

Variable Name	Variable Label
CASEID	Respondent ID Number
FIPS_State	FIPS code for state of residence at time of interview
FIPS_County	FIPS code for county of residence at time of interview
FIPS_State2020	FIPS code for state of residence at time of 2020 Census
Region	Region of residence at time of interview (4-category)
