

NHSN Patient Safety Analysis Treeview: Quick Reference Guide

Analysis Reports Treeview

This quick reference guide can be used as a tool to identify and locate each analysis report within NHSN's Patient Safety Component analysis treeview menu. This document is current as of November 21, 2024.

Navigating this Document

This document contains the entire Patient Safety Component treeview structure and lists every report available to Facility and Group users as of November 2024. The table of contents below links to each of the 9 first-level folders where users can browse the various reports. This quick reference guide uses the following 4-level notation for the treeview structure:

First level folder

→ **Second level folder**
