

World Trade Center Health Program

Program at a Glance

As of March 31, 2017

Below you will find general program information related to members enrolled and members certified for treatment of health conditions in the WTC Health Program.

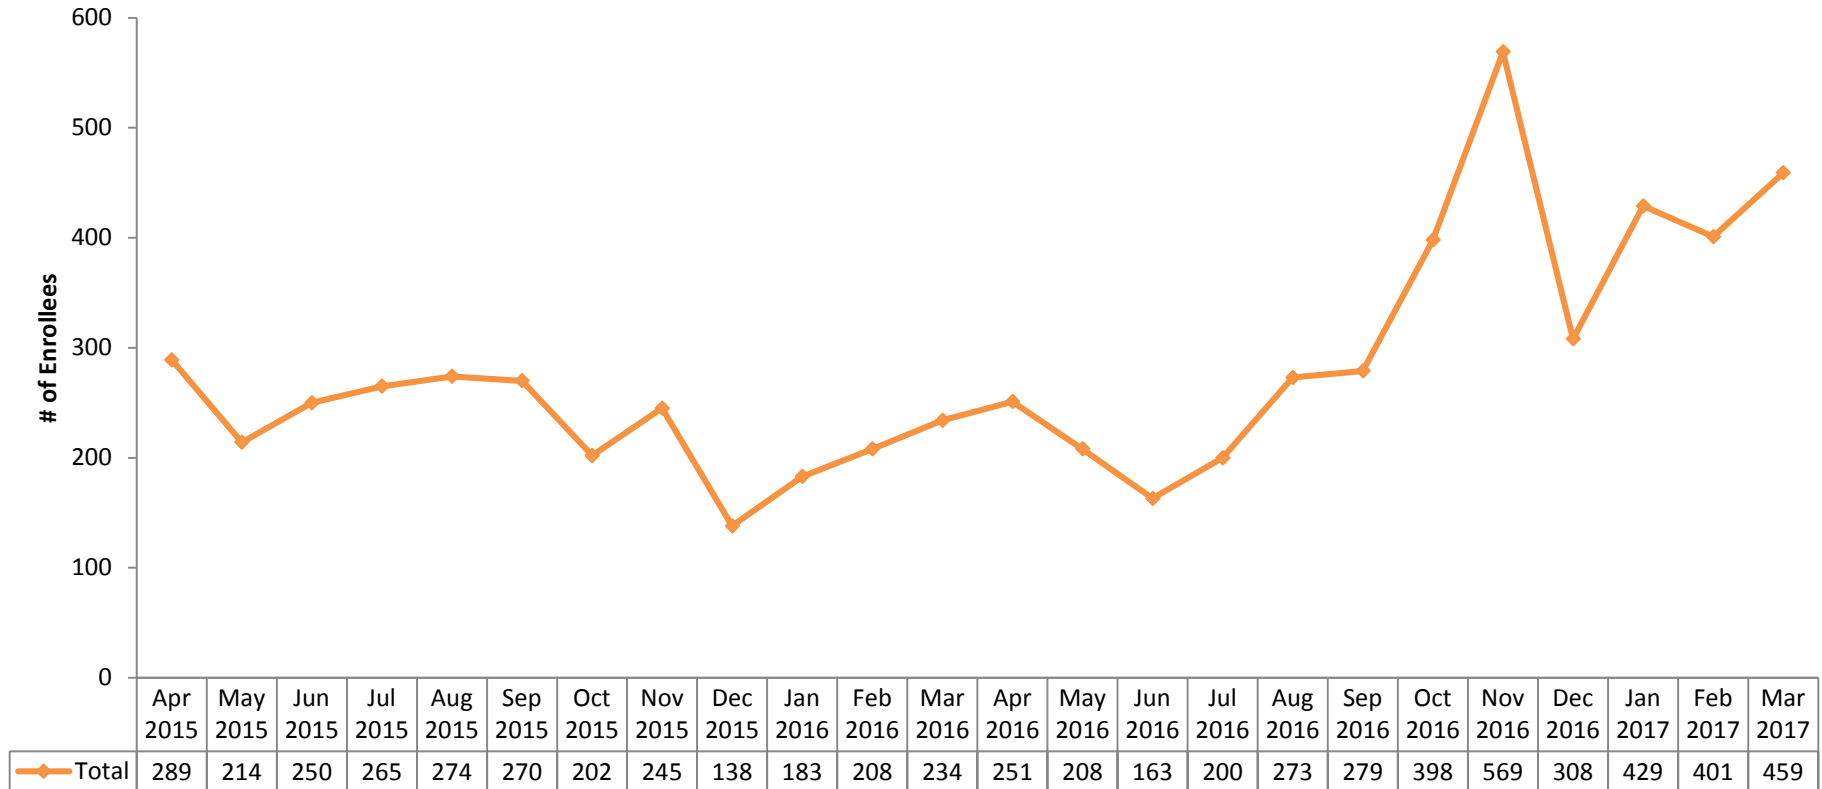

Overall Enrollment: Responder and Survivor

Note: The Program started on July 1, 2011, and at that time, 56,204 Responders were “grandfathered” from previous Federal activities. On September 29, 2011, 5,178 Survivors were likewise “grandfathered”. The chart above depicts enrollment from the beginning of the Program, starting with “grandfathered” members and the cumulative addition of new members each quarter. The date labels correspond to the end of the quarter (i.e., March 2017 represents cumulative members through March 31, 2017).
